About Family Promise

Family Promise is a non-profit organization helping homeless families into homes and lasting independence. We believe that no child should have to sleep in a car or under a bridge, and that every family deserves a chance to be whole and have a roof over their head again.

How Family Promise Works

Host Congregations

About four times a year – for a week at a time- each host congregation provides a place to sleep, meals (supper, breakfast and bag lunch) and hospitality for up to four families at a time. Families are hosted from dinner time to the next morning.

Housing Programs

Family Promise administers a variety of housing projects for homeless parents with minor children. Our HUD sponsored program is for parents with disabilities; our other housing programs assist homeless families to get into housing they can afford. To receive more information about our housing programs please contact us at (702) 638-8806.

Guests

Since Family Promise is primarily comprised of volunteers, only guest families without active substance abuse, domestic violence, or severe mental illness are accepted. Many guests are employed during the day and go to work. During the school year, children attend school.

Day Center

The Day Center is the hub. Guests are brought from the hosting congregations to the Day Center from 7 am to 5 pm, their daytime home base. Here, homeless families work one-on-one with a professional case manager to look for employment and housing and address problems that stand in the way of permanent independent housing for these families. The Day Center also provides families a mailing address, a place to shower, and a place to do laundry.
